

*Arrowhead  
Farm*

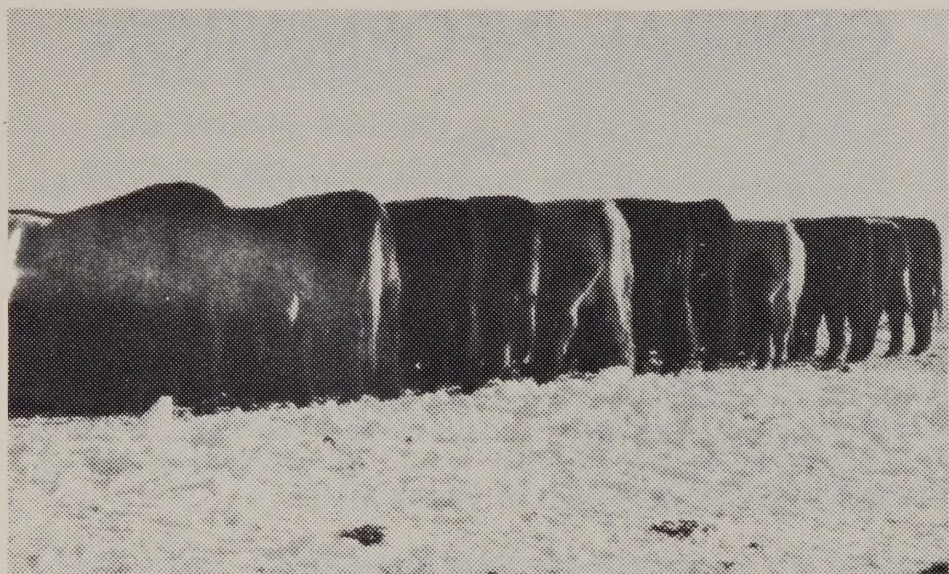

**POLLED SHORTHORN  
ALL BULL SALE**

**MARCH 26, 1977**

**HUMESTON, IOWA**

**THEY HAVE NOT BEEN PAMPERED**

# **60 POLLED BULLS**

**SELL AT 12:30 P.M.**

## **A BRIEF HISTORY**

Arrowhead does not creep their spring calves. When weaned these bulls were placed on a ration of 3½ lbs. of corn and 3½ lbs. of oats per head per day. They ran on pasture in one group. Due to an extremely dry summer and fall in the South Central Iowa area, they have been gradually increased to 17 lbs. of the same ration per head per day. Hay has been fed free choice during the winter and the bulls have all been handled in one group in a large lot to insure maximum growth, development and soundness.

## **MANAGEMENT PRACTICES**

Arrowhead Farms was founded in 1950 at Batesville, Indiana. Richard Prentice and E. J. Wenning have been partners since that time. They have always stressed practical management and quality in their cow herd. While in Indiana this herd produced many champions and top sellers throughout the Midwest. Since their move to Iowa five years ago, they have expanded their base cow herd until this year they will calve 300 cows. They still practice their rigid culling and herd sire selection programs and this sale is a natural outgrowth of their increase in volume. Every bull calf that was not steered from last year's calf crop is included in this sale offering.

# GENERAL INFORMATION

## TIME

The Arrowhead Polled Shorthorn All Bull Sale will begin promptly at 12:30 p.m., March 26, 1977.

## LOCATION

The Arrowhead All Bull Sale will be held at the Humeston Sale Co., Humeston, Iowa. Humeston is located 50 miles south of Des Moines, Iowa on Highway 65 and ten miles north of Junction of Highways 2 and 65. Persons traveling from the southwest would be advised to use Interstate 35 to the Junction of Highway 2.

## PHONE TO USE SALE DAY

515/817-2831 is the number at the Humeston Sale Co.

## SALE HEADQUARTERS

There are a number of excellent motels in the Humeston area. We recommend: Royal Rest Motel, Hwy. 30 East, Chariton, Iowa. Phone 515/774-5961; The Perrin Motel, Business Route US 34, Chariton, Iowa. Phone 515/774-2108; The Grismore Motel, Corydon, Iowa. Phone 515/872-2354; The Sharon Motel, Junction of Hwy. 2 and US 65.

## MAINTENANCE OFFER

Arrowhead will return your bull purchases to their farm at Corydon, Iowa and maintain them for you until June 1, 1977. This will allow you to buy your bulls now and not have to house them until you are ready to turn them out. At that time you can pick your bulls up with the assurance they have been handled in the same manner as they were preceding the sale.

## GUARANTEE

The bulls sell with the Arrowhead Guarantee of Satisfaction.

## BULL WEIGHTS

The bulls will be weighed and their weights and weight per day of age will be available sale day.

## AUCTIONEER

Bruce Brooks, Ardmore, Oklahoma. Phone 405/335-3006.

## **ARE THESE YOUR KIND?**

The bull you buy today will determine your program two, three and four years from now. We'd like to tell you why we think these bulls are the right kind.

We think the most important trait in a beef animal is the ability to convert roughage into pounds of red meat. Our fall calves, to handle the Iowa cold, do receive a creep feed. Our spring calves do not. When weaned they receive a ration of 3 lbs. oats and 3 lbs. corn per head per day through the winter. All bulls go on grass through the summer. The heaviest grain ration they have ever had is 17 lbs. per head per day starting in December. It took a lot of that just to maintain body heat this past winter. All the bulls ran together and did not have access to a barn. All have made excellent frame growth along with good weights. Several were in excess of 1,500 lbs. in January. We believe yearling weights can sometimes be deceptive, so current weights on the bulls as they approach two years will be available at sale time and will show you their growth potential.

Eighteen of the bulls are out of first calf heifers. Of 254 calves born in 1976, 64 were from first calf heifers. Nine calves died at birth, two of them twins. That leaves a 96.85 live calf birth rate. There were no cesareans.

Of the sixty bulls selling, 57 have never had their feet trimmed.

In all, the dams of 10 of the bulls have excellent show records. But it would be wrong to emphasize these cows when the dams of the rest of the bulls are as good, if not better. One visitor used the word "huge" in describing some of the cows, but there are some exceptions. We would probably like to see more size in the dams of Count 522 and Count 576. The dams of Count 519, Count 590 and Welcome 530 are typical dual purpose cows, with ample frame but needing more muscle.

We regret not being able to display all the dams at the sale location. Most of them really are outstanding cows. If you can allow enough time for a trip to the farm to see them, fine. If not, please ask us . . . we will give you our honest appraisal of them.

Sincerely,

**ARROWHEAD FARM**

Dick Prentice

E. J. Wenning

Phone 515/872-1975

OFFICE 217/452-3232

HOME 217/452-7520

Cagwin Cattle Services, Inc.

Box 156, Virginia, Ill. 62691

Dear Cattlemen:

It is very appropriate that one of the first all bull production sales be held at Arrowhead Farms, due to the many years of dedicated breeding and hard work that has been put forth by Dick Prentice and Moon Wenning.

We feel that it is essential to the future of the Shorthorn business to have a sound bull market. We are also sure that this market would be created when bulls of this quality are offered to cow people. These bulls have been handled properly and are the kind that have bred-in efficiency and weight per day of age to compete with any breed.

We would like for you to arrive early at this sale to inspect the bulls and discuss them with the Arrowhead owners, whom we are certain will give you an accurate appraisal. Then if you have time, visit the well managed Arrowhead Farms and inspect the dams of these bulls.

Looking forward to seeing you in Humeston, Iowa on March 25th and 26th!

Sincerely,

CAGWIN CATTLE SERVICES, INC.

Red, J. W. Lawrence

(Menteith Jack x  
Red, E. C. Scharff & Sons  
Buena Valley Patricia x  
Red, J. W. Lawrence)

**FOUR POINT COUNT x**—The best bull ever used at Arrowhead and he must be considered one of the great breeding bulls of the Shorthorn breed. He is solid red, a 100% dehorner, long, structurally sound, very clean, and the best-muscled Shorthorn bull we have yet to see. He breeds these traits into his offspring. As a six-year-old, he was turned out to grass in late April with 15 open cows, and on June 20th weighed 2,115 lbs. He maintains his weight on grass because of his muscling. We have purchased several long-established, well-culled herds; we have bought champions and top sellers across the country, but our best females are daughters of this great old bull. His first few sons have gone into some of the top herds in the country. You can judge the quality of them yourself, as the bulls from his first full calf crop are offered in this sale.

## Reference Sire B

### ARROWHEAD WELCOME 20th x3525016

Trademark x  
Roan, Donald Bennett  
Westmore Rose 8V  
Red, R. A. Gillespie

**ARROWHEAD WELCOME 20th x** — This bull shouldn't need much footnote. Most of you have already seen him at Thiemans' where he is estimated to weigh about 2,300 lbs. His bull calves are much like him, big-framed, beefy, good-doing cattle. He is also a 100% dehorner. These are his first calves in this sale. Your chance to get into a fresh new bloodline that is sure to be one of the "Hot" ones in another year or two.

**Reference Sire C**

**D BERRY BILL x3538764**

Roan. Bred by P. C. Guina. Owned by Arrowhead Farm, Corydon, Iowa.

**SIRE:**

Pop's Uha x

Red, George B. Hare

Butte Lee Reward 12th x  
Red, A. E. Philpott  
Saskarose Countess 2nd x  
Red, G. B. Hare

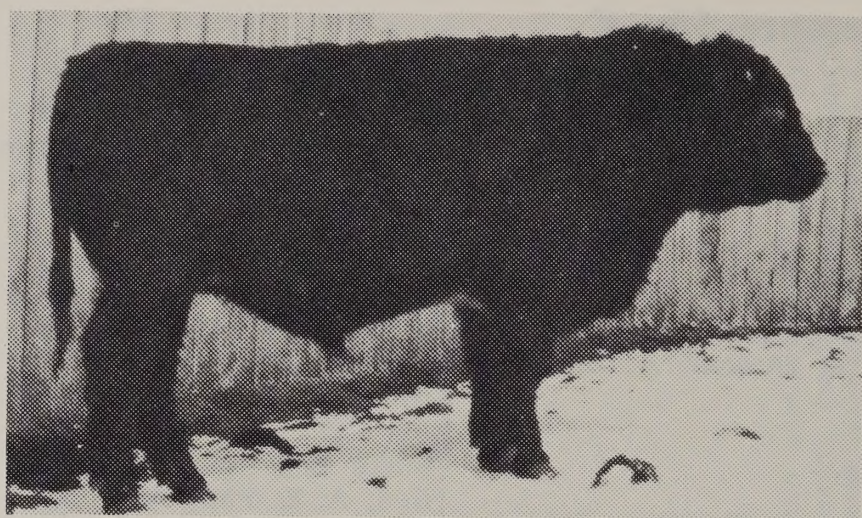

**D BERRY BILL x** — This bull was purchased with the Langpark herd of John Fedosa in Saskatchewan. He has so much frame, most people who see him assume he is a dual bred bull, but he is all beef, both sides. He does add frame to his offspring — consistently. His head is well shaped, but smaller than most bulls, which we think makes for easy calving. He is a 100% dehorner.

---

**Remember! Arrowhead will maintain your bull purchases free of charge until June 1st.**

RWM, William H. Peasley  
Greenstar Orphan Annie x  
Lt. Roan, Robert L. Barnhart

**ARROWHEAD CITADEL 512 x**— This is probably the best bull we have ever sold. Greenstar Wendy x is the biggest cow in the herd. She is the mother of Spartan Gary x, a young bull we are getting good calves from. A full sister to Spartan Gary x has a yearling Count daughter in the herd. We also have a full sister to Citadel 512 x. All of these are excellent cattle, which is of major importance in the dam's family of a herd bull—the ability to reproduce the right kind consistently. Selling  $\frac{2}{3}$  interest and full possession.

**LOT 2—BULL**

**Arrowhead Farm**

**ARROWHEAD CHEYENNE x3597-525**
